August 2013

ASIA & PACIFIC: PROCUREMENT NOTICES FOR FOREIGN GOVERNMENT TENDERS

I. INTRODUCTION

This Foreign Government Tender report from the US Commercial Service Asian Development Bank Liaison Office (CS ADB) augments our series of regular monthly reports that give U.S. exporters advance information on Asian government tenders. This report covers advance and ongoing procurement, as well as recruitment of consultants for projects that are funded by the ADB.

To bid on the projects included in this report, U.S. firms may send their Expression of Interest (EOI) directly to the executing agency listed on the procurement notice. Details of the bidding procedures are stated in the Bidding Documents issued by the executing agency or otherwise stated in the procurement notice.

U.S. firms are encouraged to keep in contact with CS ADB, especially if they decide to participate in ADB procurement activities. This office works closely with the Office of the U.S. Executive Director (US/ED) to the ADB to increase American awareness of and participation in ADB's procurement activities.

Attention: Ms. Margaret Keshishian, Director/Senior Commercial Officer

*Included in Advance Procurement Notices, August 2013 released on July 17, 2013

III. ADVANCE ACTION

Advance action is an early procurement done by the borrowing government prior to ADB's approval of the related financing agreement.

BANGLADESH

Dhaka Environmentally Sustainable Water Supply Project

Brief Project Description:

- The project will provide more reliable and sustainable water supply in Dhaka by developing a new surface water supply scheme for supply augmentation, which includes:
 - development of a water intake at Meghna river, one raw water transmission pipeline, a water treatment plant (WTP) at Gandhabpur with capacity of 500 million liters per day
 - a treated water transmission pipeline to the existing water supply network, and
 - distribution reinforcements.
- The project will also include distribution network improvements (DNI) to reduce non-revenue water (NRW), and will improve quality of water supply services including support to low income communities.
- The project is estimated to cost \$674.9 million. The government has requested AFD and EIB to jointly finance a part of civil works and equipment costs with a loan equivalent of \$100 million from each agency. The government will provide \$224.9 million equivalent for: (i) taxes and duties, (ii) land acquisition and resettlement, and (iii) road cutting, power supply, and other expenses paid to government agencies.
- The project will have significant resettlement impacts and Category A for involuntary resettlement.

Brief Description of Goods and Related Services, Works, or Consulting Services to be Procured and Related Justification for Advance Action: ADB approved the Government's request for advance contracting to expedite project implementation. Advance contracting will include:

- Recruitment of management, design, and supervision consultants for DNI; and
- Tendering and bid evaluation of a DNI package.

CHINA

A. Inner Mongolia Road Development Project

Loan PRC

Brief project description: The project aims to develop the road network in Hulunbeier, and provide support for sustainable tourism, environmental conservation and institutional strengthening and capacity building. It has five main outputs:

(i) **Output 1: Highway Upgrading and Road Safety Improvements.** 132 kms of provincial highway (Road No.7) from Manzhouli to Alatanemole will be upgraded from Class III to “half Class I” standard. The safety improvement work will include road markings, signage, speed control junction design, barriers, and underpasses for animals, designated parking, viewing points and service areas. These will be carefully designed and installed to ensure a safe environment for road users.

(ii) **Output 2: Rehabilitation of Rural Roads.** 292 kms consisting of 4 rural roads will be rehabilitated and upgraded. The Road (No.3) from Xinboluke to Manzhouli (66 kms) which is presently a natural road (unclassified) will be rehabilitated and upgraded to a Class III road. The Road (No.4) from Nuogannuoer via Wubuerbaolige to Alantanhadagacha (127 kms) which is presently a sand and stone road (unclassified) will be upgraded to Class IV. The Road (No.5) connecting Baogedewula sumu with Beiersumu (54 kms) will be rehabilitated and upgraded from a sand and stone road to Class IV. The Road (No.6) from Amugulang—Wubuerbaolige sumu (45 kms) which is presently a natural road (unclassified) will be upgraded to Class III.

(iii) **Output 3: Cross Border Transport Improvement and Trade Facilitation.** 104 kms consisting of 2 Roads (Nos.1 and 2) leading to the Arihasate port (82 kms) and Ebuduge port (22 kms) will be rehabilitated and upgraded from Class III to Class II to facilitate cross border traffic movement. A provision of \$2 million is provided for cross border trade facilitation.

(iv) **Output 4: Support for Community-Based Sustainable Tourism and Environmental Conservation.** Rest areas, other minor infrastructure, signage and interpretation material will be provided along the S203 at strategic points to reduce uncontrolled driving and parking in sensitive areas. Development of an eco-cultural trail is proposed to enable tourists to experience the grasslands, wetlands and traditional lifestyles and to demonstrate ecotourism and sustainable livelihood opportunities. Support for Dalai Lake NNR Management Bureau including improved facilities and equipment for protection, research and monitoring and strategic input to the 10-year master plan to guide nature reserve development are proposed.

(v) **Output 5: Institutional strengthening and capacity building.** Capacity development and institutional strengthening will be implemented to ensure that the executing agency and implementing agency have sufficient capacity to manage the project. This output will have three parts. The first part will support project management and implementation to ensure that project outputs are delivered on time and within budget in accordance with ADB policies and procedures; develop and maintain the project performance monitoring system; assist with procurement and disbursement; and ensure that safeguard measures are implemented, monitored, and reported. The second part will build capacity in road safety, road maintenance and management of roads. The third part will build capacity of Dalai Lake NNR staff to improve management of the reserve.

Brief description of goods and related services, works or consulting services to be procured and retroactive financing: The justification for advance action is that some civil works need to be carried out for project roads which have severe and long winter seasons, permitting an annual construction season of only five (5) months from May to September. The project will finance goods, works, and consulting services, as shown in the table.

B. Hubei-Yichang Sustainable Urban Transport Project

Brief Project Description: The impact of the project will be an efficient, inclusive, and sustainable transport system in Yichang. The outcome will be the provision of an efficient passenger and freight transport. It has four outputs:

- **Output 1: *Bus Rapid Transit (BRT) System.*** A 23.9 km BRT system will be implemented in the median of the main arterial road in Yichang. Services will operate from the provincial bus terminal in Yiling District, extend along the Yixing Avenue–Yemingzhu Road–Dongshan Avenue–Jucheng Road, and end at Yichang East railway station. The route will connect the main residential and business districts to the city's new logistics and industrial park and the high speed railway station. The BRT will include dedicated, center-running bus lanes, fully enclosed BRT stations, a bus management system (BMS) and bus information system (BIS), a fare collection system, and parking management along the BRT corridor.
- **Output 2: *Non-motorized Transport (NMT) Measures.*** Pedestrian and bicycle facilities (bicycle lane and bicycle parking place) will be implemented along the BRT corridor and at key intersections. This will support improved accessibility and safety for bus passengers and other non-motorized transport users.
- **Output 3: *Road Network Improvement.*** This will build a 23.4 km extension of Dongshan 4th Road to accommodate through traffic and freight traffic including pass-dam transshipment. The road comprises (i) improvement of 12.3 km of Fazhan Avenue–Bailinhe Road Section (Phase 1) to a road width of 44–70 m; and (ii) improvement of the 11.1 km Bailinhe Road to Xianfeng Road (Phase 2) to Class 1 highway, with road width of 24.5 m. The output includes 11 bridges and two tunnels.
- **Output 4: *Capacity Building and Quality Assurance.*** This will comprise (i) support for project management and implementation to ensure that project outputs are delivered on time and within budget in accordance with ADB policies and procedures; developing and maintaining the project performance monitoring system, and assisting with procurement and disbursement; (ii) support for detailed design review and safeguard implementation, monitoring, and reporting; and (iii) capacity building in traffic management, road safety, and BRT operation and management.

Brief Description of Goods and Related Services, Works or Consulting Services to be Procured and Retroactive Financing: ADB has approved advance contracting and retroactive financing of eligible expenses for project civil works and consulting services up to a maximum of 20% of the loan proceeds. The advance procurement actions will be undertaken in accordance with ADB's [Procurement Guidelines](#) and [Guidelines on the Use of Consultants by Asian Development Bank and Its Borrowers](#). The project will finance goods, works, and consulting services, as shown in the table.

TAJIKISTAN

Central Asia Regional Economic Cooperation Corridors 3 and 5 Enhancement Project

Brief project description: The proposed project will mainly rehabilitate and reconstruct approximately 175 kilometers (km) of road for the CAREC Corridors 3 and 5 (Sayron–Karamik section) and associated sub-network (Vose–Khovaling road), enhance road safety and maintenance, and improve local communities.

Brief description of goods and related Services, works, or consulting Services to be procured and related justification for advance action: The project is a government's priority. Project engineering design is at an advanced stage. At the request of the government, advance contracting was approved to help meet the project processing target in 2013 and expedite project implementation. Procurement of Goods, Works and Services to be financed under the ADB grant will be carried out in accordance with [ADB Procurement Guidelines](#) (2013, as amended from time to time) and [Guidelines on the Use of Consultants by Asian Development Bank and its Borrowers](#) (2013, as amended from time to time). The proposed grant proceeds are intended to be used for the procurement of the following components:

- i. Through international competitive bidding (ICB) procedure: Civil Works (Roads): 2 contracts (estimate); Goods (road lighting): 1 contract (estimate)
(Bidding documents for one civil work package are expected to be ready on or about 30 June 2013)
- ii. Through quality and cost-based selection (QCBS) procedure (international recruitment): Engineering and Construction Supervision (1 contract)

BANGLADESH

A. Urban Public and Environmental Health Sector Development Project [STS-P02]

Loan No.: 2555-BAN (SF)

Contract No. and Title: Package No. 02: Construction of Secondary Transfer Station (STS) in Chittagong, Khulna and Barisal City Corporations

Deadline for Submission of Bids: **27 August 2013**; 13:00 hours (Local Time)

The Urban Public and Environmental Health Sector Development Project of Local Government Division (the Employer) invites sealed bids from eligible bidders for the Construction of Secondary Transfer Station (STS) in Chittagong, Khulna and Barisal City Corporations.

SI No.	Brief Description of Works , Goods and Services to be bid as a Single Package	Location of Work
	Single package	
STS-1	Construction & Supply of Equipment & Service delivery for STS Palashpur Bridge, Kalibabur Kheyaghat, Barisal	Barisal
STS-2	Construction & Supply of Equipment & Service delivery for STS Bundh Road, South Alekanda, Barisal	Barisal
STS-3	Construction & Supply of Equipment & Service delivery for STS North Alekanda, Polytechnic Road, Barisal	Barisal
STS-4	Construction & Supply of Equipment & Service delivery for STS South of Nathullabad Bus Terminal, Barisal.	Barisal
	KHULNA STS	
STS-1	Construction & Supply of Equipment & Service delivery for STS PTI Moore	Khulna
STS-2	Construction & Supply of Equipment & Service delivery for STS near Train Station	Khulna
STS-3	Construction & Supply of Equipment & Service delivery for STS Niralar Moore	Khulna
STS-4	Construction & Supply of Equipment & Service delivery for STS KDA Approach Road	Khulna
STS-5	Construction & Supply of Equipment & Service delivery for STS near 250 Bed Hospital	Khulna
STS-6	Construction & Supply of Equipment & Service delivery for STS Goalkhali Moore	Khulna
STS-7	Construction & Supply of Equipment & Service delivery for STS Newsprint Mill, BIDD	Khulna
STS-8	Construction & Supply of Equipment & Service delivery for STS Khalishpur New Market	Khulna
	CHITTAGONG STS	
STS-1	Construction & Supply of Equipment & Service delivery for STS Sirajuddoula Road	Chittagong
STS-2	Construction & Supply of Equipment & Service delivery for STS Nazir Ahmed Road, Andarkilla	Chittagong
STS-3	Construction & Supply of Equipment & Service delivery for STS East, Maadarbari, Namuna Bazar Khoar.	Chittagong
STS-4	Construction & Supply of Equipment & Service delivery for STS Rahattarpool Mirza Khal	Chittagong
STS-5	Construction & Supply of Equipment & Service delivery for STS Chandgaon FIDC	Chittagong
STS-6	Construction & Supply of Equipment & Service delivery for STS Police Box, Bohoddarhat	Chittagong
STS-7	Construction & Supply of Equipment & Service delivery for STS Biazid Bostami Road	Chittagong
STS-8	Construction & Supply of Equipment & Service delivery for STS K- Block DT Road	Chittagong

STS-9	Construction & Supply of Equipment & Service delivery for STS Port Connecting Road	Chittagong
STS-10	Construction & Supply of Equipment & Service delivery for STS Mohazonghata Road	Chittagong
STS-11	Construction & Supply of Equipment & Service delivery for STS DIT Road Nishkrity.	Chittagong
STS-12	Construction & Supply of Equipment & Service delivery for STS Agrabad Commerce College	Chittagong

The complete eligibility and qualification requirements are stipulated in Section 3: Evaluation and Qualification Criteria.

- Minimum average annual turnover of US \$4.5 million. Calculated at total certified payments received for contracts in progress or completed, within the last three (3) years.
- General Experience under contracts in the role of contractor, subcontractor, or management contractor for at least the last five (5) years prior to the bid submission deadline.
- For Specific experience the participation as contractor, subcontractor or management contractor in at least two (2) contracts within the last five (5) years, with a value of at least US \$3.6 million that have been successfully or are substantially completed and that are similar to the proposed plant and services or experience in the civil construction works of building including RCC structures, steel structures with truss, and steel roofing.

D. Khulna Water Supply Project [DROT-01]

Loan No.: 2756-BAN (SF)

Package No. and Title: KWASA/KWSP/ADB/DROT-01: Construction of Distribution Reservoirs and Overhead Tanks

Deadline for Submission of Bids: **11 September 2013**, 1:00 p.m. (local time)

The Khulna Water Supply and Sewerage Authority (KWASA) invites sealed bids from eligible bidders for the Construction of Distribution Reservoirs and Overhead Tanks. The works will comprise of seven distribution reservoirs and ten overhead tanks including electro-mechanical works for pumping facilities located within the city of Khulna. The completion period is 720 days.

The qualification criteria include the following:

- Minimum average annual construction turnover of US \$18.50 (Eighteen point five zero) million during last five years
- Participation in at least one contract similar to the proposed works within the last 10 (ten) years successfully or substantially completed, where the value of the Bidder's participation exceeds US \$20 million.
- Bidder's net worth for the last year calculated as the difference between total assets and total liabilities should be positive.
- The complete qualification criteria are described in the bidding document.

CAMBODIA

A. Water Resources Management Sector Development Project [OT-001]

Loan/Grant No.: 2672/8253/0220-CAM

Contract No. and Title: WRMSDP/ADB & OFID_OT-001: O Touk Irrigation Scheme Rehabilitation

Deadline for Submission of Bids: **23 August 2013**; 3:00 p.m.

The Ministry of Water Resources and Meteorology (MOWRAM) (the Employer) invites sealed bids from eligible bidders for the construction and completion of O Touk Irrigation Scheme Rehabilitation ("the Works").

Only eligible bidders with the following key qualifications should participate in this bidding.

Key Qualification	Minimum Requirement
I- Eligibility	
1-Nationality	Nationality in accordance with ITB Sub-Clause 4.2.
2-Conflict of Interest	No conflicts of interest in accordance with ITB Sub-Clause 4.3.
3-ADB Eligibility	Not having been declared ineligible by ADB, as described in ITB Sub-Clause 4.4.
4-Government-owned Entity	Bidder required to meet conditions of ITB Sub-Clause 4.5.

5-UN Eligibility	Not having been declared ineligible based on a United Nations resolution or Employer's country law, as described in ITB Sub-Clause 4.8.
II-Pending Litigation	All pending litigation shall be treated as resolved against the bidder and so shall in total not represent more than 50% percent of the bidder's net worth.
III-Experience Requirement	
1-Experiences on General Construction	Experience under construction contracts in the role of contractor, subcontractor, or management contractor for at least the last five (5) years (2008, 2009, 2010, 2011 and 2012) prior to the bid submission deadline.
2-Experience on Similar Size and Nature Contract	Participation as contractor, management contractor, or subcontractor, in at least one contract within the last five (5) years (2008, 2009, 2010, 2011, 2012) each with a value of at least US \$1,430,000 that have been successfully or are substantially completed and that are similar to the proposed works. The similarity shall be based on the physical size, complexity, methods, technology or other characteristics as following: i) Construction of earth Dams and Dikes. Or ii) Construction of concrete gravity dams (diversion structure). Or iii) Rehabilitation of an existing irrigation systems with a minimum physical command area of 500 ha.
3-Experience on Construction of Key Activities	Construction experience in the following key activities: i) Construction of earth dams or dike with height of no less than 3 meters satisfying the specified backfilling and compaction. Or ii) Construction of concrete gravity dams with height of no less than 2 meters and its components. Or iii) Reinforced concrete works and Monolithic pouring of concrete works for irrigation structures (28-32 Mpa). Or iv) Canal de-silting works to its designed prism and construction of minor and major canal structures as specified in the drawing.
IV-Financial Requirement	
1-Historical Financial Performance	Submission of audited balance sheets and income statements for the last three (3) years (2010, 2011 and 2012) to demonstrate the current soundness of the applicants' financial position. As a minimum, a bidder's net worth calculated as the difference between total assets and total liabilities should be positive.
2-Average Annual Construction Turnover	Minimum average annual construction turnover of US \$2,700,000, calculated as total certified payments received for contracts in progress or completed, within the last three (3) years (2010, 2011, 2012).
3-Financial Resources	Bidder must demonstrate access to, or availability of, financial resources such as liquid assets, unencumbered real assets, lines of credit, and other financial means, other than any contractual advance payments, to meet the financial requirements of the contract in the amount of his bid. As a minimum the bidder must show that his resources, in terms of at least his latest year's working capital and lines of credit, will be adequate to cover his Bid Price and current work commitments.
V-Personnel Requirement	1 Resident Engineer (Contract Manger), with at least 5 years' experience in construction of which the last 3 years should be in a senior position for works of a similar nature. 1 Deputy Site Resident Engineer, with at least 5 years' experience on works of a similar nature 1 Construction Supervisor/Site Controller, a technically irrigation engineer demonstrates at least 5 years' experience on works of a similar nature

VI-Equipment Requirement	<p>Minimum equipment:</p> <p>1 Excavator (capacity of bucket 0.84 m³)</p> <p>3 Excavators (capacity of bucket 0.5 m³)</p> <p>3 D6 Bulldozers (3D)</p> <p>3 Vibrating Rollers with sheep foot (10 T)</p> <p>1 Motor Grader 130HP;</p> <p>3 Water Trucks (5000L)</p> <p>12 Dump trucks(10T);</p> <p>1 Air Compressor with Jack Hammer</p>

B. Provincial Roads Improvement Project [NR13/PR314D]

Loan No.: 2839-CAM (SF)/8254-CAM

Contract No. and Title:

PRIP-CW-A-ICB-2013-02: Improvement of NR13

PRIP-CW-B1-ICB-2013-03: Improvement of PR314D

Deadline for Submission of Bids: **4 September 2013**; 3:00 p.m. (Cambodia Standard Time)

The Ministry of Public Works and Transport (MPWT) of the Kingdom of Cambodia ("the Employer") invites sealed bids from eligible bidders for the construction and completion of improvement of approximately 62.4km covering NR13 and improvement of approximately 25.6km covering PR314D ("The Works").

The Works, to be carried out generally comprise the following:

- improvement of the existing road, generally on the same alignment by widening the road width, and paving with Double Bituminous Surface Treatment (DBST);
- raising of the road level in areas subjected to frequent flooding;
- widening and paving of shoulders;
- construction of box culverts and minor drainage structures;
- construction of bridges;
- improvement of side drainage and slope protection;
- traffic safety features, road signs and road marking;
- environmental mitigation measures; and
- detection and neutralization of unexploded ordnance (UXO) and mines clearance.

The Work are grouped as two single contracts and the Employer will evaluate and compare bids on the basis of a single contract, or as a total of both contracts in order to arrive at the least cost combination for the Employer by taking into account discounts offered by bidder in case of award of both contracts. If a bidder submits bids for both contracts, the evaluation will also include an assessment of the bidder's capacity to meet the aggregate requirements regarding:

- Construction Experience
- Financial Situation

CHINA

A. Inner Mongolia Road Development Project [CW: MA-1, MA-8, MA-9]

Loan No.: 43029-PRC

Contract No. and Title: Civil Works for MA-1, MA-8, MA-9

Deadline for Submission of Bids: **14 August 2013**, 09:00 am (Beijing time)

China International Tendering Company (the Procurement agent, ITC), authorized and on behalf of the Inner Mongolia Road Development Project Management Office of Hulunbeier Bureau of Transport (the "Employer") invites sealed bids from eligible bidders for the construction and completion of three civil works contracts described in the table below:

Contract Number	Road Section	Particular	Length (km)	Construction Period (month)
MA-1	K0+000~K1+600	<ul style="list-style-type: none"> • Subgrade/Pavement/safe guard • Drainage and Green Project • Bridge and culvert project • Intersection Project • A cloverleaf interchange 	1.6	36
MA-8	K96+400~K114+300	<ul style="list-style-type: none"> • Subgrade/Pavement/safe guard • Drainage and Green Project • Bridge and culvert project • Intersection project 	17.9	36
MA-9	K114+300~K131+793	<ul style="list-style-type: none"> • Subgrade/Pavement/safe guard • Drainage and Green Project 	17.5	36
		<ul style="list-style-type: none"> • Bridge and culvert project • Intersection project 		

The scope of works for each contract section is detailed in Section 6-Employers Requirements of this Bidding Document. Bidders may bid for one or more lots as indicated in the bidding document. Only eligible bidders meeting the technical and financial qualification criteria as below should participate in the bidding. Details are provided in Section 3 of the Bidding Documents.

Item	Qualification Criteria (CNY million)		
	Lot MA-1	Lot MA-8	Lot MA-9
Qualification Certificate (for domestic bidders, Certificate of Road Engineering)	Grade I	Grade I	Grade I
Average Annual Construction Turnover (2010-2012)	300	300	300

Contracts of Similar Size and Nature	Participation as contractor, management contractor, or subcontractor, in at least 2 contracts within the last five 5 years (2008-2012), where the value of one contract is at least CNY122 million. The similarity of the bidder's participation shall be based on physical size, nature of works, complexity, methods, technology, etc.	Participation as contractor, management contractor, or subcontractor, in at least 2 contracts within the last five 5 years (2008-2012), where the value of one contract is at least CNY141 million. The similarity of the bidder's participation shall be based on physical size, nature of works, complexity, methods, technology, etc.	Participation as contractor, management contractor, or subcontractor, in at least 2 contracts within the last five 5 years (2008-2012), where the value of one contract is at least CNY143 million. The similarity of the bidder's participation shall be based on physical size, nature of works, complexity, methods, technology, etc.

B. Forestry and Ecological Restoration Project in Three Northwest Provinces [YQ071/072/073/074]

Loan No.: 2744-PRC

Contract No. and Title: YQ071: Transmission-line Engineering

YQ072: Road Engineering

YQ073: Irrigation Engineering

YQ074: Drilling Engineering

NCB Bid No. 0703-1310CIC5Y020

Deadline for Submission of Bids: **6 August 2013**, 11:00 a.m. (Beijing Time)

Instrimpex International Tendering Company (CNIITC, the Procurement Agent), authorized by and on behalf of the Forestry Bureau in Yanqi County and through its project management office Forestry Department of Xinjiang Uygur Autonomous Region (the Employer), invites sealed bids from all eligible and qualified bidders for the construction and completion of the below Civil Works Contracts. And the main construction content is as follows:

- YQ071: Transmission-line Engineering
- YQ072: Road Engineering
- YQ073: Irrigation Engineering
- YQ074: Drilling Engineering

The construction period is 7 months.

Only eligible bidders with the following key qualifications should participate in this bidding:

- possessing Certificate Grade II or above Qualification Certificate for general contractor in municipal construction and license of safe production (for domestic bidder only);
- having a minimum of five (5) years general construction experience;
- having participated as contractor, management contractor, or subcontractor, in at least 2 contracts within the last 3 years, each with a value of at least:

YQ071: CNY 1.5 million

MICRONESIA

Omnibus Infrastructure Development Project [FSM/KOSRAE/ADB/OIDP-001]

Loan No.: 2099-FSM

Contract No. and Title: FSM/KOSRAE/ADB/OIDP-001: Improvements to Utwe Water Supply System in Kosrae

Deadline for Submission of Bids: **21 August 2013**; 2:00 p.m.

Department of Transportation, Communication and Infrastructure (DTC&I) of the Government of Federated States of Micronesia on behalf of the State of Kosrae invites bids from qualified and experienced contractors for supply and installation of following components under this contract. The Site is located at Utwe Municipalities of Kosrae State, FSM.

The Work consists of:

- a) Improvements to inlet structures at the Palustrik River (Intake) and construction of river bed filter.
- b) Construction of: (i) two units of Slow Sand Filters (SSF) with a net production capacity of 175,000 gallons/day and (ii) a 30,000 gallon reinforced concrete ground level storage water tank located at the same site as the SSF.
- c) Construction of two block work buildings to house two centrifugal pumps and their control panels and also the chlorination system with diaphragm pumps, solution tanks and control panels for pumps.
- d) Supply and laying of 4" dia PVC pumping main from Intake to the SSF and 6" dia PVC (about 900 ft) gravity main to connect the new head works to the existing distribution network.
- e) Augmentation and rehabilitation of sections of the existing pipe distribution network.
- f) Replacement of malfunctioning section valves and installation of air valves at designated locations.
- g) Installation of bulk water meters at key locations within the existing distribution system and installation of water meters on all service connections.

Interested bidders must demonstrate their ability to undertake the above mentioned works and meet the criteria as set out in the bidding document and include:

- Submission of audited balance sheets and income statements or, if not required by the law of the applicant's country, other financial statements acceptable to the Employer, for the last three years to demonstrate the current soundness of the applicants financial position. As a minimum, a Bidder's net worth calculated as the difference between total assets and total liabilities should be positive.
- Minimum average annual turnover of US\$ 2 million calculated as total certified payments received for contracts in progress or completed, within the last three years.
- Experience under construction contracts in the role of contractor, subcontractor, or management contractor for at least the last five (05) years prior to the bid submission deadline.
- Participation as contractor, management contractor, or subcontractor, in at least 2 contracts within the last 5 years, each with a value of at least US\$ 1.3 Million that have been successfully or are substantially completed and that are similar to the proposed works. The similarity shall be based on the physical size, complexity, methods, technology or other characteristics as described in Section 6, Works Requirements.
- For the above or other contracts executed during the period stipulated above, a minimum construction experience in the following key activities:
 - i. Supply and laying of minimum ten miles of water supply pipes of diameters of 3" to 6" in trenches, out of which at least three miles shall be for DI and HDPE pipes within a period of 6 (six) months
 - ii. Construction of reinforced concrete water storage tanks of capacity 30,000 US Gallons or greater
 - iii. Supply & installation of minimum 5 sets of Centrifugal pumping sets with control panels (capacity greater than 2 H.P) and at least 2 sets of supply & installation of liquid chlorination system with booster pumps

MONGOLIA

A. Southeast Gobi Urban and Border Town Development Project [B1-1]

Grant No.: 0204-MON

Contract No. and Title: G0204-MON-B1-1 Improvement of Sainshand Water Supply, Sewerage and Heating Supply Systems

Deadline for Submission of Bids: **12 September 2013**, 11:00 a.m. (Ulaanbaatar time)

The Ministry of Construction and Urban Development, Mongolia (the Employer) invites sealed bids from eligible bidders for the civil works contract for Improvement of Sainshand Water Supply, Sewerage and Heating Supply systems which includes, but not limited to the following:

- a. Replacement and Renovation of 4.84 km water supply line;
- b. Construction of 1.61 km new water supply line;
- c. Replacement and Renovation of 3.72 km sewerage line;
- d. Construction of 1.34 km new sewerage line;
- e. Replacement and Renovation 1.9 km district heating line;
- f. Construction of 0.8 km district heating line.

Only eligible bidders with the following key qualifications should participate in this bidding:

- a. Have experience under construction contracts in the role of contractor, subcontractor, or management contractor for at least the last 3 (three) years prior to the bid submission deadline;
- b. Have participation as contractor, management contractor, or subcontractor, in at least 1 (one) contract within the last 3 (three) years, each with a value of at least US\$2,000,000 that have been successfully or are substantially completed and that is similar to the proposed works. The similarity shall be based on the physical size, complexity, methods, technology or other characteristics as described in Section 6, Works Requirements of the Bidding Document;
- c. Must have a minimum average annual construction turnover of US\$ 1,500,000 calculated as total certified payments received for contracts in progress or completed, within the last 3 years;
- d. Must demonstrate that the Bidder has undertaken the following in the last 3 years:
 - Construction of water supply and sewerage pipe work of at least 15 km in length;
 - Construction of heating pipe work at least 2 km in length;
- e. The project manager must have at least 10 years of working experience in general and 5 years of working experience in similar works; and
- f. Possess the relevant construction licenses required to undertake the works. The licensing requirement is waived for international bidders.

B. Southeast Gobi Urban and Border Town Development Project [B1-4]

Grant No.: 0204-MON

Contract No. and Title: G0204-MON-B1-4: Improvement of Zamyn-Uud Water Supply and Sewerage Systems

Deadline for Submission of Bids: **12 September 2013**, 15:00 p.m. (Ulaanbaatar time)

The Ministry of Construction and Urban Development, Mongolia (the Employer) invites sealed bids from eligible bidders for the civil works contract for Improvement of Zamyn-Uud Water Supply, Sewerage Systems which includes, but not limited to the following:

- a. Construction of 13.4 km new water supply line
- b. Replacement and Renovation of 3.4 km sewerage lines
- c. Construction of 4.47 km new sewerage lines
- d. Construction of 3 water kiosks
- e. Construction of 1 waste water pump station

Only eligible bidders with the following key qualifications should participate in this bidding:

- a. Have experience under construction contracts in the role of a contractor, management contractor or subcontractor in at least the last 3 (three) years prior to the bid submission deadline.
- b. Participation as contractor, management contractor, or subcontractor, in at least 1 (one) contract within the last 5 (five) years, each with a value of at least US\$1,400,000 that have been successfully or are substantially completed and that is similar to the proposed works. The similarity shall be based on the physical size, complexity, methods, technology or other characteristics as described in Section 6, Works Requirements of the bidding document.
- c. Must have a minimum average annual construction turnover of US\$1,100,000, calculated as total certified payments received for contracts in progress or completed, within the last 3 (three) years.
- d. Must demonstrate that the Bidder has undertaken the following in the last 3 years:
 - Construction of 13.4 km new water supply line;
 - Construction of 7 km sewerage lines;
 - Construction of one waste water pump station;
- e. The project manager must have at least 10 years of working experience in general and 5 years of working experience in similar works; and
- f. Possess the relevant construction licenses required to undertake the works. The licensing requirement is waived for international bidders.

Grant No.: 0157-NEP

Contract No. and Title: SSTWSSSP/ICB-23/Khalanga-Sitalpati_Salyan (Khalanga-Sitalpati Town Water Supply & Sanitation Project)

Deadline for Submission of Bids: **29 August 2013**, 12:00 hours

The Project Management Office, Second Small Towns Water Supply and Sanitation Sector Project, Department of Water Supply and Sewerage, Ministry of Urban Development ("the Employer") invites sealed bids from eligible bidders for the construction of the above captioned contract with the following key qualifications:

- Minimum average annual turnover from construction business NRs. 163 million within the last five years.
- Carried out at least two similar projects with a value of at least NRs. 98 million over the last seven years.

The Works mainly comprise of following components:

- (i) Ground Reservoir
- (ii) Intake work
- (iii) Transmission main and distribution pipe lines
- (iv) Electrical Works
- (v) Treatment plants
- (vi) Other associated works
- (vii) Operation and Maintenance of whole system for one year.

F. Kathmandu Valley Water Supply Improvement Project [KUKL/BDS-SRT/01/01]

Loan No.: 2776-NEP (SF)

Contract No. and Title: KUKL/BDS-SRT/01/01: Laying of Bulk Distribution System and Construction of Reservoirs (Package 1)

Deadline for Submission of Bids: Extended to **4 September 2013**; 12:00 Noon, Nepal Standard Time (NST)

Kathmandu Upatyaka Khanepani Limited (KUKL) ("the Employer") invites sealed bids from experienced and eligible bidders, based on post-qualification criteria, for the construction and completion of the Works.

The Works mainly comprise laying approximately 10,000 meter ductile iron pipes with necessary valves, fittings and construction of three service reservoir of cumulative capacity of 2600 cu.m. The details of Works described hereunder:

Laying of Pipes for Bulk Distribution System Component	Stretches	Pipe Dia. (mm)	Length (m)
Ring Main	Existing Mahankal Chaur Reservoir to Chabahil Chowk	1400	909
Rain Main	Chabahil Chowk to Narayan Gopal Chowk	1400	2922

Feeder Main	J2 (Near Arubari Tank) to Arubari Tank	700	30
Feeder Main	J4 (Near Mahankal Chair Tank) to Mahankal Chaur Tank	900	130
Feeder Main	Narayn Gopal Chowk to New Bansbari Tank	900	1786
Ring Main	Chabahil Chowk to Gaushala Chowk	1000	1193
Ring Main	Khasi Bazar (Kalanki) to Sita Petrol Pump (Ch. 5+500 Km to Ch. 5+800 Km)	700	250
Ring Main	Sita Petrol Pump to Balkhu (Ch. 5+800Km to Ch. 6+750 Km)	400	950
Ring Main	Near Ekantakuna to Talchikhel Chowk (Ch. 9+500 Km. to Ch. 11+382 Km)	400	1882

Construction of Service Reservoirs	Capacity (CU.M)
Reservoir Site	
Arubari Tank	8500
Mahankal Chaur-2	8000
New Bansbari Tank	9500

Only experienced and eligible bidders with the following key qualifications should participate in this bidding:

- Minimum average annual construction turnover of US \$19.7 Million calculated as total certified payments received for contracts in progress or completed, within the last 5 years.
- Participation as a construction contractor in at least one contract within the last five (5) years that has been successfully or substantially completed and that is similar to the proposed works, where the value of the bidder's participation exceeds US \$14.22 million.
- Participation as contractor, management contractor, or subcontractor, in one, two or three contracts of supplying and laying/installation of pressure water pipeline having cumulative length of 9 km of minimum of 700 mm diameter within the last five (5) years, that have been successfully or are substantially completed.
- Participation as contractor or subcontractor in contracts of construction of RCC reservoir/s having a cumulative value of US \$5 million in a maximum of 4 contracts within the last five (5) years, that have been successfully or are substantially completed and that are similar to the proposed works.

A. Power Distribution Enhancement Investment Program, Tranche-III [ADB-PESCO-05-2013]

Loan No.: 2972-PAK

Contract No. and Title: ADB-PESCO-05-2013 (Lots 1-6): Procurement of Power Transformers, Lightning Arrestors, 11KV incoming & Outgoing Panels, Control & Relay Panels, 11KV Bus Coupler Panels, SF-6 Circuit Breakers, SF-6 Gas Cylinders, Power & Control Cables, Outdoor & Indoor Termination Kits, Cartridges & Moulds

Deadline for Submission of Bids: **27 August 2013**; 11:00 a.m.

The Peshawar Electric Supply Company (the Purchaser) invites sealed bids from eligible bidders for Procurement of Power Transformers, Lightning Arrestors, 11KV Incoming & Outgoing Panels, Control & Relay Panels, 11KV Bus Coupler Panels, SF-6 Circuit Breakers, SF-6 Gas Cylinders, Power & Control Cables, Outdoor & Indoor Termination Kits, Cartridges & Moulds in Six lots. The bidder shall quote for the entire quantity of a lot.

Lot No.	Item #	Item Description	Qty.
Lot-I	1	132/11.5KV, 20/26 MVA, Power Transformer equipped with MR, Germany make vacuum type OLTC OR equivalent. Bushings having extended creepage along with HT/LT Terminal Connectors and complete with Auxiliary Panel and other specified accessories as per WAPDA Specification P-46: 2008 (In effect as at the date 42 days prior to bid submission).	07 Nos
	2	132/11.5KV, 31.5/40 MVA, Power Transformer equipped with MR, Germany make vacuum type OLTC OR equivalent. Bushings having extended creepage along with HT/LT Terminal Connectors and complete with Auxiliary Panel and other specified accessories as per WAPDA Specification P-46:2008 (In effect as at the date 42 days prior to bid submission).	06 Nos
Lot-II	1	132KV Lightning Arrestor with all accessories, with extended creepage distance, along with steel supporting structures with foundation bolts and terminal connectors for 600mm sq for aluminum conductor as per WAPDA Specification No.P-81:2012 (In effect as at the date 42 days prior to bid submission).	15 Nos
	2	11KV Lightening Arrestor (Station Class), used on 11KV side of Power Transformers in Grid Station with minimum discharge current of 10KA. As per WAPDA specification No.P-181:2012 (In effect as at the date 42 days prior to bid submission).	15 Nos

Lot-III	1	11kv Metal Clad Switchgear Incoming panels 2500 Amp: 25KA breaking capacity for 31.5/40 MVA Power Transformers with 11KV CTs for protection metering ratio 2400/1200/5-5A and the differential protection ratio 2400/1200/5-5A the Design of LT compartment should be accommodate 05 Nos. Single Core 11KV 1000MCM Power cable per phase as per WAPDA Specification P-44:96 (In effect as at the date 42 days prior to bid submission).	05 Nos
	2	11kv Metal Clad Switchgear Incoming panels 2500 Amp, 25KA breaking capacity for 20/26 MVA Power Transformers. as per WAPDA Specification P-44:96 (In effect as at the date 42 days prior to bid submission).	05 Nos
	3	11kv Metal Clad Switchgear Outgoing panels 630 Amp, 25KA breaking capacity as per WAPDA Specification P-44:96 (In effect as at the date 42 days prior to bid submission).	44 Nos
	4	11 KV Bus Coupler Panels 2500 Amp, 25 KA breaking capacity as per WAPDA Specification P-44:96 (In effect as at the date 42 days prior to bid submission).	05 Nos
	5	Control Panel CP-50. As per WAPDA Specification P-151:2011 (In effect as at the date 42 days prior to bid submission).	05 Nos
	6	Relay Panel RP-4. As per WAPDA Specification P-151:2011 (In effect as at the date 42 days prior to bid submission)	05 Nos
Lot-IV	1	145KV, 3150A, 40KA, SF-6 Circuit Breakers with extended creepage distance along with steel supporting structures with foundation bolts and terminal connectors for 600mm ² for aluminum conductor. As per WAPDA Specification P-193:2010 (In effect as at the date 42 days prior to bid submission)	05 Sets
	2	SF-6 Gas Cylinder. As per WAPDA specification P-193:2010 (In effect as at the date 42 days prior to bid submission)	04 Nos
Lot-V	1	Power Cables 1000 MCM S/C. As per WAPDA Specification P-29:2010 (In effect as at the date 42 days prior to bid submission)	8.5 km
	2	Power Cables 500 MCM S/C. As per WAPDA Specification P-29:2010 (In effect as at the date 42 days prior to bid submission)	9.0 km
	3	Control Cable 4x2.5 mm ² . As per WAPDA Specification P-100:75 (In effect as at the date 42 days prior to bid submission)	6.0 km
	4	Control Cable 8x2.5 mm ² . As per WAPDA Specification P-100:75 (In effect as at the date 42 days prior to bid submission)	6.0 km
	5	Control Cable 16x2.5 mm ² . As per WAPDA Specification P-100:75 (In effect as at the date 42 days prior to bid submission)	5.5 km
	6	Control Cable 4x6 mm ² . As per WAPDA Specification P-100:75 (In effect as at the date 42 days prior to bid submission).	6.0 km
Lot-VI	1	Outdoor Termination Kit for 1000 MCM S/C As per WAPDA Specification (In effect as at the date 42 days prior to bid submission).	90 Sets
	2	Outdoor Termination Kit for 500 MCM S/C As per WAPDA Specification P-184:86 (In effect as at the date 42 days prior to bid submission).	90 Sets

3	Indoor Termination Kit for 1000 MCM S/C As per WAPDA Specification P-184:86 (In effect as at the date 42 days prior to bid submission).	90 Sets
4	Indoor Termination Kit for 500 MCM S/C As per WAPDA Specification P-184:86 (In effect as at the date 42 days prior to bid submission).	90 Sets
5	Connector Type TM75A As per WAPDA Specification P-176:2011 (In effect as at the date 42 days prior to bid submission).	75 Nos
6	Connector Type 90BH30 As per WAPDA Specification P-176:2011 (In effect as at the date 42 days prior to bid submission).	15 Nos

B. Market Transformation through Introduction of Energy Efficient Electric Vehicles Project [E-Trike-01-2013]

Loan No.: 2964-PHI

Contract No. and Title: E-Trike-01-2013: Supply and Delivery of Electric Tricycles (E-Trike)

Deadline for Submission of Bids: **20 August 2013**; 10:00 a.m.

The Department of Energy (DOE), the Purchaser, invites sealed bids from eligible bidders for the supply and delivery of E-Trikes to:

- Lot 1: National Capital Region (NCR) (1,500 units)
- Lot 2: Region 4A/4B (1,000 units)
- Lot 3: NCR (500 units)

The Bidding Document requires bidders to have the following qualifications:

Qualification Criteria	Requirements
Financial	<p>(a) Minimum average annual turnover of: Lot 1: US\$9 million Lot 2: US\$6 million Lot 3: US\$3 million</p> <p>In addition, the supplier/manufacturer of lithium ion battery packs, be it a JV partner or Subcontractor, shall have a minimum average annual turnover of US\$40 million.</p> <p>Bidder for Lot 3 with AAT of less than US\$3 million over the last three (3) years shall be exempted from this requirement provided that in case of a successful bid for Lot 3 the Bidder shall provide an additional Performance Security of 10% of the Contract Price.</p> <p>(b) Access to, or availability of, financial resources such as liquid assets, unencumbered real assets, lines of credit, and other financial means, other than any contractual advance payments to meet the following cash flow requirements: Lot 1: US\$1.5 million Lot 2: US\$1 million Lot 3: US \$0.5 million</p>
Experience	<p>(a) General experience of at least five (5) years; for JV, only the lead partner is required to demonstrate 5 years general experience.</p> <p>(b) At least five (5) years of experience specific to (i) motor and controller manufacturing/supply, (ii) vehicle body manufacturing and assembly, (iii) vehicle after sales service, and (iv) supply of lithium ion battery to at least one global brand of electric vehicle.</p> <p>(c) For lithium ion battery component of the E-trike, the bidder or its Subcontractor shall demonstrate the following: <ul style="list-style-type: none"> (i) at least five (5) years of experience in lithium ion battery manufacturing, (ii) supplied lithium ion batteries to at least one global electric vehicle brand that has been operating successfully during the last two (2) years, and (iii) internationally recognized safety standards certification, and zero percentage incident attributed to the use of the proposed lithium ion battery brand in electric vehicles. </p> <p>(d) General and specific experience requirements shall not apply to a Bidder for Lot 3 with less than five (5) years of general and specific experience. However, in case of a successful bid for Lot 3, an additional Performance Security of 10% of the Contract Price shall be provided.</p>

Supply Capacity	<p>(a) Access to facilities in the Purchaser's country that are capable of manufacturing/assembling E-Trikes at the rate of Lot 1: 300 units/month Lot 2: 200 units/month Lot 3: 100 units/month</p> <p>(b) The manufacturing/assembly line facilities shall sit on a parcel or parcels of land in the Purchaser's country that are capable of meeting the area requirement for the minimum monthly production rate. In case of proposed facilities, bidder shall provide a summary of the proposed manufacturing/assembly line facilities. Bidder shall provide information on the location, area, and ownership of the facilities, proposed or existing.</p>

SRI LANKA

A. Colombo Water Supply Service Improvement Project [CWSSIP/ADB/CIVIL/ICB/01]

Loan No.: 2947-SRI

Contract No. and Title: CWSSIP/ADB/CIVIL/ICB/01: System Rehabilitation for NRW Reduction in North of the Colombo City

Deadline for Submission of Bids: **19 August 2013**; 10:00 hours (local time)

The Chairman, Standing Cabinet Appointed Procurement Committee (SCAPC), on behalf of the Ministry of Water Supply and Drainage invites sealed bids from eligible bidders through International Competitive Bidding (ICB) on [Single-Stage: Two-Envelope procedure](#) (ICB/SS-2E) for the above mentioned contract, the scope of which is briefly described below:

- Site Investigation, detailed design, drawing etc, for construction of pipe rehabilitation works based on DMA concept
- Water distribution system rehabilitation by replacement of 104 km of existing CI pipes below 9" diameter with HDPE pipes.
- De-scaling and Relining or bursting (nearly 11 km) for pipes more than 9" diameter, and pipe bursting (nearly 10 km) for small diameter pipes
- Replacement of about 15 km of Spaghetti Lines in tenement gardens
- Transfer of consumer connections including replacement of PVC consumer lines with all HDPE pipes
- Establishment of District Metering Areas (DMA having about 2500 service connections), including preparation and updating of GIS based database for DMA's and monitoring of NRW with regard to DMA concept.
- NRW Management monitoring in completed DMAs and undertake all works necessary to ensure that NRW is less than 18%

Only eligible bidders with the following key qualifications should participate in this bidding.

- The bidder shall have minimum average annual construction turnover of US \$15.6 million calculated as total certified payments received for Contract in progress or completed, within last Three (3) years.
- Participation in at least two (2) Contracts, within the last Ten (10) years that have been successfully of substantially completed and that are similar to the proposed works, where the value of bidder's participation in each exceeds US \$25 million. The similarity of the bidder's participation shall be based on the physical size nature of works, complexity of methods, technology or other characteristics described in Section 6, (Employer's Requirements).

- Bidder must demonstrate access to, or availability of, liquid assets, lines of credit or other financial resources, (other than any contractual advance payments) to meet the bidder's financial resources requirement indicated in Form Fin-4.
- Successful experience in the last 10 years in rehabilitation of a complex water supply network in a densely populated fully urbanized municipal area having a complex network of roads and underground utilities with majority of work being carried out at night and subject to authorization by Local Authority.
- Supply and Laying of at least 1 km of DI pipes diameter 1000 mm or above including Valves, fitting and specials.
- Pipe replacement by trenchless methods for at least 02 km of CI/Steel pipes with diameter > 250 mm using no-dig technologies specifically de-scaling relining, and pipe bursting.

D. Greater Colombo Wastewater Management Project [GCWMP/ADB/PS/01/ICB/Works/03/2013]

Loan No.: 2557(OCR)/ 2558(SF)-SRI

Contract No. and Title: GCWMP/ADB/PS/01/ICB/Works/03/2013: Designing, Construction, Installation and Rehabilitation of Wastewater Pumping Stations of Colombo Municipal Council

Deadline for Submission of Bids: **8 October 2013**; 2:00 p.m.

The Chairman, Standing Cabinet Appointed Procurement Committee, on behalf of the Ministry of Local Government and Provincial Councils (MLGPC) (hereinafter referred to as the "Employer") invites sealed bids from eligible and qualified bidders for the above mentioned contract.

The scope of the contract is divided into five (5) work groups, which needs to be commenced at different times as given below, by first detail designing of the entire Facility. The scope of work for each work group is briefly described below. The construction period of the entire Facility needs to be completed by the 30th month, followed by Commissioning and Functional Guarantee testing period of the entire Facility for a period of six (6) months. The entire contract including the Commissioning and Functional Guarantee testing period to be completed within a period of 36 months from the Effective Date, followed by a Defect Liability Period of one year.

Group	LOCATION WITHIN COLOMBO	BRIEF DESCRIPTION OF SCOPE OF WORK	Construction Period
1	Wanathamulla	Demolition and rebuilding a new pumping station	3 rd to 30 th month
	Maligawatte	Demolition and rebuilding a new pumping station including construction of new force main	
	Borella	Rehabilitation of pumping station	
	Bambalapitiya	Demolition and rebuilding a new pumping station including construction of new force main	
2	Vystwyke	Demolition and rebuilding a new pumping station	10 th to 30 th month
	Thimbirigasyaya	Demolition and rebuilding a new pumping station	

	Harbour	Rehabilitation of pumping station	
3	Fort	Construction of new pumping station, rehabilitation of inverted siphon and construction of new short force main	15 th to 30 th month
	CS3 (Fish Market)	Rehabilitation of pumping station	
	Slave Island	Rehabilitation of pumping station	
	Polwatte	Rehabilitation of pumping station	
4	S8 (Peterson Lane)	Upgrading of SCADA System	26 th to 30 th month
	Wellawatte	Upgrading of SCADA system	
	Madampitiya	Upgrading of SCADA system	
	Maligakanda	Central Monitoring Station	
5	Maradana	Construction of new building for Drainage Division Workshop	13 th to 30 th month

To be eligible and qualified for contract award, the successful bidder shall fulfill the requirements as detailed in the bidding document. Some of the key requirements for a single entity are listed below. Requirements for joint ventures and associations are indicated in the Bidding Document.

- (a) Net worth as minimum should be positive
- (b) Minimum average annual turnover of US \$25 million within the last five years
- (c) Availability of financial resources required for current commitments, and for the subject contract.
- (d) Experience in the role of contractor, subcontractor, or management contractor for at least the last ten (10) years.
- (e) Participation in at least two contracts within the last 5 years that have been successfully or substantially completed and that are similar to the proposed works, where the value of the bidder's participation exceeds US \$30 million.

VIETNAM

A. Strengthening Water Management and Irrigation Systems Rehabilitation Project [02/NX-HY]

Loan No.: 2636-VIE

Contract No. and Title: 02/NX-HY: Supply and Installing of the Pumps and Electro-Mechanical Equipment for Nghi Xuyen Pumping Station

Deadline for Submission of Bids: **15 August 2013**; 9:30 hours

The Central Project Office (CPO) under Ministry of Agriculture and Rural Development (MARD) ("the Purchaser") invites sealed bids from eligible bidders for Supply and Installing of the Pumps and Electro-Mechanical Equipments for Nghi Xuyen Pumping Station.

Only eligible bidders with the following key qualifications should participate in this bidding:

- **Experience requirements:**
 - The Manufacturer shall have at least ten (10) years of experience in producing pump units. During the last five (5) years, the Manufacturer must have sold a minimum of fifteen (15) pump units, each with the capacity of at least 18,000 m³/hr, which have been operating without major defects. A list of end-users and contact details for the Purchaser's reference shall be submitted.
 - The bidder, within the last ten years, shall have EITHER 01 successfully completed contract valued at at least US\$ 6 million as main supplier to supply pump units for pumping station with the total capacity of at least 138,000 m³/hr and where each pump unit has capacity of at least 12,000 m³/hr and 01 contract of installation of pumping station where at least one pump unit has capacity of at least 12,000 m³/hr; OR 1 successfully completed contract valued at least US \$6 million as main supplier to supply and install pump units for pumping station with the total capacity of at least 138,000 m³/hr and where each pump unit has capacity of at least 12,000m³/hr.
 - In the case of a Joint venture, all partners combined must meet the above requirement.
- **Financial requirements:**
 - Bidder must have the minimum average annual turnover of at least ten (10) million US Dollars within the last three (3) years (2010, 2011, 2012)
 - Bidder must demonstrate access to, or availability of, liquid assets, lines of credit, or other financial resources, (other than any contractual advance payments) to meet the cash-flow requirement of US\$ 2 million for this contract and the cumulative financial resources requirement for its current contract commitments.

L. Strengthening Water Management and Irrigation Systems Rehabilitation Project [06/DHTL]

Loan No.: 2636-VIE

Contract No. and Title: 06/DHTL: Construction and Completion of Infrastructure Works in New Campus of Water Resources University

Deadline for Submission of Bids: **6 September 2013**; 9:00 a.m.

The Central Project Office (CPO) under Ministry of Agriculture and Rural Development invites sealed bids from eligible bidders for the Construction and Completion of Infrastructure Works for 56 Hectare New Campus of Water Resources University in Hung Yen province (the Works).

Only eligible bidders with the following key qualifications should participate in this bidding:

- Construction experience requirements
 - Participation in at least two (2) contracts within the last ten (10) years that have been successfully completed or substantially completed and that is similar to the proposed works, where the value of the Bidder's participation exceeds US\$ 6.90 million. The similarity shall, at minimum, be deemed to include works in construction of basic urban infrastructure (asphaltic roads, and/or high voltage transmission lines, transformer station and/or water supply and drainage works).
 - For the above or other contracts, executed during the last ten years, a minimum construction experience shall include the following key activities:
 - Construction of asphaltic road with designed load ≥ 13 ton.
 - Construction of power transmission line ≥ 22 kV and transformer station ≥ 850 KVA.
- Financial requirement: Minimum average annual construction turnover of US \$7.8 million calculated as total certified payments received for contracts in progress or completed within the last three (3) years (2010, 2011, 2012).

Contact: The Central Project Office

Address: No 23, Hang Tre Street, Ha Noi, Vietnam

M. Sustainable Rural Infrastructure Development Project in the Northern Mountain Provinces [HCNSH-DV]

Loan No.: 2682/2683-VIE

Contract No. and Title: HCNSH-DV: Construction of Water Reservoir for Domestic Use in Dong Van District, Ha Giang Province (Package 08)

Deadline for Submission of Bids: **28 August 2013**; 9:00 a.m.

The Project Management Unit of Sustainable Rural Infrastructure Development Project in the Northern Mountain Provinces, Ha Giang Department of Agriculture and Rural Development (Ha Giang DARD) ("the Employer") invites sealed bids from eligible bidders for the construction of Package 08: Construction of Water Reservoir for Domestic Use in Dong Van District, Ha Giang Province.

The Works consist of constructing 03 water reservoirs namely:

- Reservoir Pho Bang: a capacity of 15433m³ and piping system sheading water from the source to the lake length L=1686.3 m and from the lake to the main pipeline L=1235.9m;
- Reservoir Ha De, Sung Trai commune: a capacity of 5728.30m³ with the pipeline L= 255.71m.
- Reservoir Mo So, Lung Phin commune: a capacity of 5399m³, no pipeline.

The scope of work includes the construction of reservoir; water supply systems for reservoirs, drainage wells.

Only eligible bidders with the following key qualifications should participate in this bidding:

- Experience: Participation as a lead contractor or a sub-contractor in at least one (1) contract for at least the last five (5) years that has been successfully completed for Construction of domestic Water Reservoirs grade IV group B or higher quality as defined under "Irrigation works design standard" 285-2002 and "Water supply pipe network and works design standard" 33-2006 issued by Ministry of Construction in 2002 with the minimum value of the Bidder's participation equivalents to VND forty (40) billion.
- Financial: Minimum average annual construction turnover of VND, calculated as total certified payments received for contracts in progress or completed, within the last three (03) years (2010, 2011, 2012) ≥ forty eight (48) billion of VND; and bidder must demonstrate access to, or availability of, liquid assets, lines of credit, or other financial resources (other than any contractual advance payments) to meet the bidder's financial resources requirement for: (i) the subject contract estimated as VND ten (10) billion; and (ii) ongoing contract commitments.

Submitting Expressions of Interest

Consultant selection for technical assistance grants are based on the consultant's prior Expression of Interest (EOI). A good EOI should reflect the firm's experience and expertise in relation to the ADB project being pursued. It is important for a U.S. firm to emphasize this, or similar project experience in the country or in a similar geographic area rather than state a general profile of its consulting activities. When submitting an EOI, the project name should exactly match the one listed in this report to avoid confusion. Each project requires a separate EOI.

An EOI should be submitted on-line through the ADB website at www.adb.org. Firms may send a hardcopy follow-up to the Director, Central Operations Services 1 Division or to the Director, Central Operations Services 2 Division, with a copy to the ADB Project Officer.

Registering Consulting Firms and/or Individual Consultants

The ADB consultants registration system has been revised into a new and integrated system called **Consultant Management System (CMS)** for both consulting firms and individuals.

Records should be updated at least once a year; otherwise, inactive profiles will be de-activated and excluded from consultants' searches.

Visit www.adb.org/Consulting/cms.asp for more information.

U.S. Commercial Service Liaison Office to the Asian Development Bank (CS ADB) and the U.S. Executive Directors to the ADB Office (USED)

U.S. firms are encouraged to keep in contact with the **U.S. Commercial Service Liaison Office to the Asian Development Bank (CS ADB)** especially when they decide to participate in ADB procurement activities. This office works closely with the Office of the U.S. Executive Director to the ADB (USED) to increase American awareness of, and participation in, the ADB's procurement activities.

For CS ADB assistance, please contact: Margaret Keshishian, Director/Senior Commercial Officer (E-mail: Margaret.Keshishian@trade.gov)

U.S. firms may also notify their interest to pursue ADB business opportunities by sending a copy of their Expressions of Interest (EOI) to CS ADB to either of the following addresses:

U.S. mailing address:

Attention: Ms. Margaret Keshishian, Director/Senior Commercial Officer
U.S. Embassy – NOX 2
1201 Roxas Boulevard
Manila, Philippines 1000
Tel.: (63-2) 301-2000; E-mail: Office.ManilaADB@trade.gov

For More Information
